

2024 VII International Conference on Information Technologies in Engineering Education Inforino 2024

Moscow Power Engineering Institute (MPEI), National Research University
Moscow, Russia, April 16 – 19, 2024

CALL FOR PAPERS

ORGANIZERS

Ministry of Science and Higher Education
of the Russian Federation
National Research University "MPEI"
Ministry of Energy
of the Russian Federation

COMMITTEES

Honorary Chair

Nikolay ROGALEV (RU)

Program Committee

Ildar BATYRSHIN (MX)

Mirlan CHYNYBAEV (KG)

Sasha GURKE (US) **Узбекистан**

Hans-Joachim KRETZSCHMAR (GE)

Martin GITZELTS (GE) **КИТАЙ**

Nikolay ROGALEV (RU)

Alexey Anuchin (IEEE, RU)

Ruslan SMELYANSKIY (RU)

Alexander TARASOV (RU)

Hannes TOPFER (GE) **Вьетнам**

Vladimir ZAMOLODCHIKOV (RU)

General Co-Chairs

Sergey BELOUSOV (RU)

Sergey VISHNYAKOV (RU)

Publication Chair

Yulia PRUDNIKOVA (RU)

Fees

Olga BURMISTROVA (RU)

Registration & Local Organizing Committee

A. Bobryakov

D. Rogov

A. Chernetsov

P. Roslyakov

A. Ereemeev

S. Shirinskiy

G. Fedotov

T. Shindina

D. Golubev

A. Smyslina

A. Gorbunova

T. Tarasova

I. Krepkov

A. Tikhonov

B. Lipai

V. Toporkov

I. Merkuryev

A. Trofimov

A. Nevskiy

P. Varshavskiy

V. Ochkov

N. Sil'eva

IMPORTANT DATES

01.10.23 – 25.12.23 – Full Paper Submission

01.02.24 – Notification of Acceptance

15.02.24 – Final Paper Submission

05.03.24 – Final Fees Transfer

15 - 19.04.24 – Inforino 2024

FEES

Non - IEEE members * – 200 \$ / 15000 ₪

IEEE Members – 150 \$ / 11000 ₪

Students / postgraduates* – 50 \$ / 3700 ₪

* details – at inforino.mpei.ru

CONTACTS

✉ inforino@mpei.ru

IMPORTANT: Please, include "Inforino" into email subject.

👤 +7 495 362-7988 – Publication Chair,
Yulia Prudnikova

👤 +7 495 362-7228 - Fees,
Olga Burmistrova

📍 14, build. 1, Krasnokazarmennaya, Moscow,
111250, Russia,
MPEI, Inforino

ABOUT THE CONFERENCE

General

VII International Conference "Informatization of Engineering Education (Inforino 2024)" is devoted to the application of information technologies in engineering education, especially in engineering, scientific and technical calculations, data processing, remote access to laboratory and production equipment, development of electronic resources and distance education in science and engineering disciplines.

The conference has been held by MPEI in Russia since 2012 and each time it attracts experts from Austria, Azerbaijan, Belarus, Czech Republic, Estonia, Germany, Great Britain, Kazakhstan, Kyrgyzstan, Latvia, Malta, Mexico, Russia, Ukraine, USA etc.

Goal:

to exchange experience in the development and implementation of information technologies and resources in engineering education, as well as their application in the educational process.

Tasks:

to discuss the current problems in informatization of engineering education and highlight the main trends of its development.

Participants

Lecturers, technical specialists, post-graduate students of Russian and foreign universities, representatives of research and industrial companies, leading developers in the field of information technologies, high-tech equipment, organization of their use in production, scientific research, educational process are invited to participate in the conference.

Topics

The list of the topics and conference Sessions includes, but is not limited to:

1. Digital transformation of engineering education for Industry 4.
2. Information intelligent technologies and software for engineering education
3. IT in engineering calculations and design of industrial and energy facilities
4. IT in educational, research and testing laboratories
5. Distant technologies and electronic educational resources in engineering education
6. Computer graphics and 3D modeling in engineering education
7. Cybersecurity and engineering education

Event Format

Hybrid (In-person and Virtual)

VENUE

VII International Conference "Informatization of Engineering Education (Inforino 2024)" will be held in Moscow, Russia, at the National Research University "Moscow Power Engineering Institute", 14, build. 1A, Krasnokazarmennaya, Moscow, 111250, Russia

National Research University "Moscow Power Engineering Institute" is the leading power engineering institute in Russia with more than 20,000 students from more than 65 countries.

Weather conditions for the event dates may vary from 0°C to +15°C. So you should check the weather forecast carefully just before your departure to Moscow in order to ensure that you have appropriate clothing. More detailed information about the University can be found at MPEI website mpei.ru/lang/en/.

More detailed information about the city can be found at [Wikipedia](https://en.wikipedia.org/wiki/Moscow).

PAPER SUBMISSION

- Upload service for papers submissions (both - initial and final) is the conference website available at inforino.mpei.ru/submission
- Papers should be full 4 to 6 pages long and should meet the IEEE manuscript requirements. Additional pages can be submitted for extra 20 USD per page.
- Working languages of the conference – English and Russian.

IMPORTANT

- Accepted and presented papers will be submitted for inclusion into IEEE Xplore subject to meeting IEEE Xplore scope and quality requirements.
- IEEE reserves the right to exclude a paper from distribution after the conference, including IEEE Xplore® Digital Library, if the paper is not presented by the author at the conference.

For more detailed information, please, visit Inforino 2024 website:

inforino.mpei.ru

Format of the conference

[(TBD) Due to the ongoing COVID-19 circumstances around the world, ICDM 2023 will be a hybrid conference. We will consider to change it to be fully on-site or fully virtual considering the pandemic situation]
